Fresh & Fragrant Double-sided Maine Balsam Wreaths with Red or Burgundy Velvet Bow

The Yarmouth Colts Soccer Club is selling fresh holiday Balsam wreaths as a fundraiser for their U-13 teams. The Colts Soccer Organization fields teams from age 9 to 14. Colts' teams have been very competitive in league play and consistently reach regional and state competition. Our boys' and girls' teams traditionally take an annual trip in August before their last year of play. Team members take an active role raising money to help finance these trips. The holiday wreath sale is an important part of this fundraising effort.
